Fire Houses & Municipalities
Farm Shops
Implement Dealerships
Diesel Repair Shops
Diesel Smoke & Fumes
Vapors & Odors
Nuisance Dusts

M36 DS

BREATHE EASY WITH PRACTICAL, ENERGY-EFFICIENT AIR FILTRATION SOLUTIONS FROM INDUSTRIAL MAID

The DS Series Air Cleaning Systems are designed specifically for the removal of exhaust emissions, fugitive dusts and other airborne contaminants commonly found in firehouses and other municipalities.

The system is simple to install, offers automatic starts activated by sensor controls and is a cost effective solution for the control of diesel smoke and fumes.
